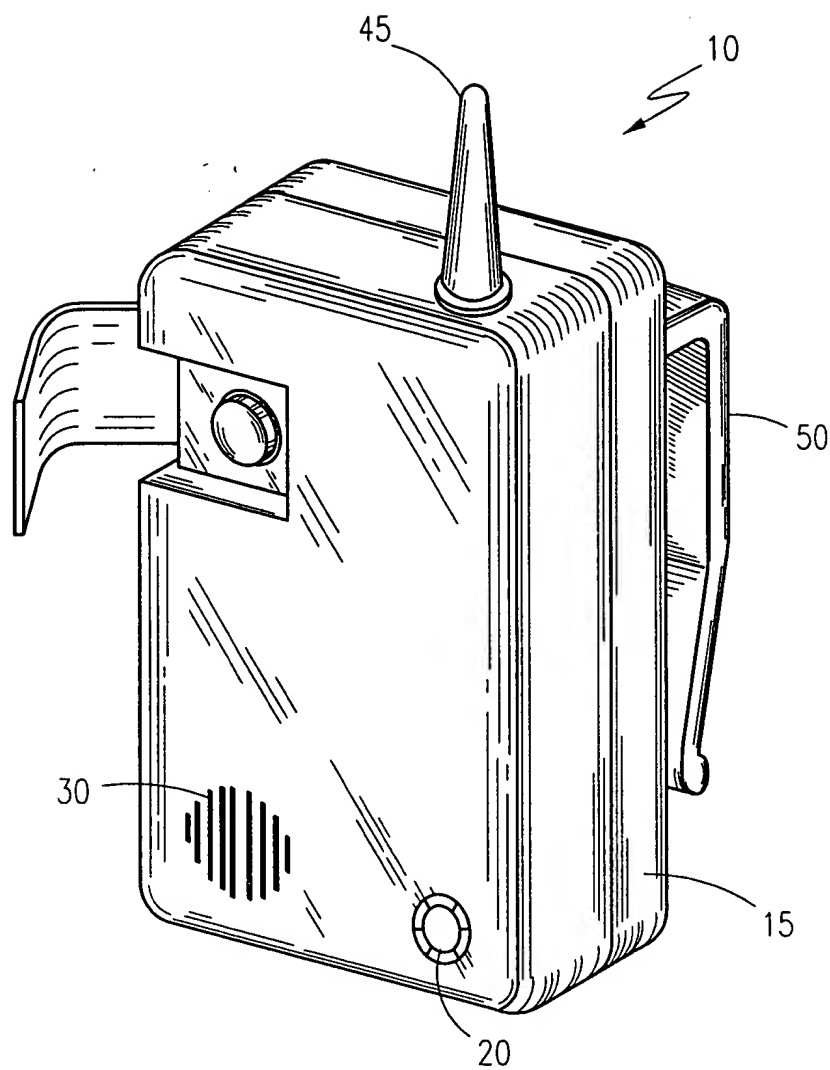

Figure 1

A perspective view of a rectangular electronic device. The device has a handle on the right side, labeled 70. On the front face, there is a circular component labeled 65, a rectangular display area labeled 60, and three vertical rectangular buttons labeled 55. The device is shown in a perspective view, highlighting its three-dimensional form.

Figure 2

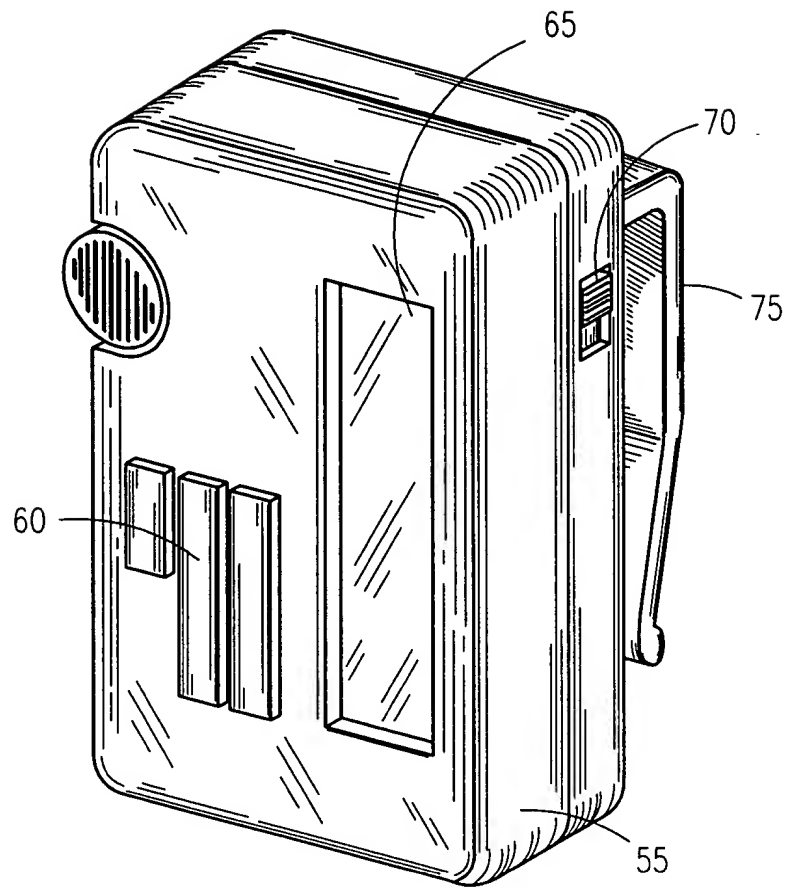

Figure 2A

A perspective view of a digital wristwatch. The watch face (85) displays 'SUN 99' and '12:00:35'. The strap (90) has a buckle (95). A component (100) is visible on the side of the watch case.

Figure 2B

A perspective view of a digital wristwatch. The watch case is rectangular with rounded corners. The digital display (85) shows the day and year 'SUN 99' on the left, the date '9-27' on the right, and the time '12:00.35' in the center. Above the time display is a row of seven small rectangular segments. The watch is attached to a strap (90) with a buckle (95). A side button (100) is located on the right side of the watch case.
